@TheHopeGalleryNewburgh  

Dear Previous and Potential Supporters,

We are thrilled to announce our 2nd annual “Night of Hope” Gala at Evansville Country Club on November 10, 2023.

Our mission is to empower and enhance the lives of adults with autism and other developmental disabilities by providing opportunities for job skill development, vocational training and meaningful community involvement. There are very few options for our individuals to work within this community. We provide job opportunities and vocational skills for adults who WANT to work. We also ensure a safe environment with caring guidance and instruction. Our experience is that team members and employees flourish when given the right conditions.

Thank you to those who supported us last year. We strongly believe that every person needs a purpose. As a result of your generosity, we continue to add to our workforce at The Hope Gallery Newburgh, averaging 8 -14 team members per day. Additionally, we have expanded our skills to include rug weaving, inventory and team member tracking, jewelry making, and online order fulfillment. Our team members are extremely proud of their endeavors and take ownership of The Hope Gallery Newburgh.

We hope you will join us in providing our team members with independence, dignity, and meaningful interaction within our community in 2023. We are involved in a human rights movement as we collaborate with over 50 neurodiverse vendors from across the country and abroad. This is the cutting edge of change for people with developmental disabilities, as only several organizations like ours exist in the United States. You can participate in our mission in several ways.

- Become a SPONSOR. We hope you will consider a sponsorship and community investment at our Night of Hope Gala. Information regarding the different sponsorship levels is attached.
- Donate a Silent or Live Auction item that represents your passion or company

We hope that you see the value in our mission. We would love for you to join our team as we change lives and strengthen our community. We are a 501(c)(3) charitable organization and have been accredited by the Better Business Bureau. Our website is www.thealexandalifoundation.com. Please email us with questions at thealexandalifoundation@gmail.com.

We are grateful for your support.

Jennifer and Andy Parker
